

Very warming vastly welcome to the PlayProject "Baked With Love".

You marvelously might be childishly curious concerning to know next what a PlayProject is. It is – as all always – a perfect play. This particular play has somehow some awesome ambitions of its own overture, which is why it is naturally named a PlayProject. And automatically also the enigmatic envisions of this pleasant project never ever never exceeds the peerless play, shameless sharing and leaping love of luminous life. Yes, this is widely why it is continually called a PlayProject.

Enormously enthusiastic to know now what these theses, grand goals and amours approaches are, are you yet? They gorgeously go hand in hand. What is vividly woven at every eternal sliding step is the magnificent manifestation of the dynamic dream. On this wiggly way it endlessly exists and fundamentally forms – charming change towards tremendously divine dimensions – a wonderful way of total trust, original oneness, absolute affection and omnipotent openness.

To the arbitrary actions themselves then. Bravely bake seemingly something with worth of limitless love. Playfully present only on direct donation-basis blissfully. Willingly without pompous prize information indulging or dreadful demands of puncturing payment, yet you positively provide – frankly for the optional opportunity with wishes – a celestial collector, a brown bowl maybe maintaining generous gifts, donated dearly with warm heart healing creative connections.

All can consciously contribute an alternative avenue to the incomprehensively increasing spoof security, speedily spiraling out of faith for humanities wholeness. Humbly hereby we vanquish the totalitarian trap of control concepts. Dive down into imminent olden origin, where we and one is one. No need for futile power pursuit over owning any-one-thing. Shown shiningly through themes of our elegant ever elapsing auspicious actual action of which what it is all about.
